

Dear Parents,

Parking around the vicinity of the Rosary Catholic Primary School during school drop off and pick up times can be difficult, limited and hazardous. To ease the congestion in the local area, Fr Robert welcomes the responsible use of the Church Car Parks by parents/carers of Rosary school children. You are asked and strongly urged to do so with care and consideration.

Please avoid entering 'The Green' as this is a narrow residential road and is in constant use by the residents and very easily congested. The church gates are locked so there is no access to the car park this way. Should you drive into The Green **do not park** on the **yellow zig-zags** in front of the school gates. The zig-zags are there for the safety of the children so that they and drivers have a clear view when crossing the road. Please do not park in the turning circle or in front of the Church gates. **Please do not park across our neighbour's drives or make it difficult for them to drive out of their houses and please be polite and considerate to our neighbours.**

There is ample parking in the Church Car Parks **via Winchester / Eton Avenue (see map)**. Please strictly observe the one way entry and exit to the rear car park, and only park in the pre-marked parking bays. Do not park in the allocated disabled bays unless you are able to display a disabled parking permit. Please do not park on the yellow lines as they are there for a purpose; and do not park where there is not an allocated bay.

The red arrows on Heston Road show how to access the church car park via Winchester and Eton Avenue.

Thank you for your co-operation in this matter.
