***Aspire, Believe, Achieve: Together in Christ***

Dear Parents,

7<sup>th</sup> September 2017

Your child will need a homework diary for school this year. The children will write their homework down in the diary and we ask you to read and sign it so the teacher knows you are aware of the homework given. It is also a useful tool for communicating with your child's class teacher. The diary also contains the school term dates and a wealth of other useful information. As soon as payment is made the teacher will give your child their diary.

We will also be ordering your child a Maths Homework Book. These will be given out once they arrive.

Although we are subsidising the cost of these books, there is a charge and we ask for you to make a payment of £6.00 via ParentPay. Should you require a bar coded letter please contact the office.

We would appreciate prompt payment so that the children get off to a good start in school.

Thank you, for your co-operation in this matter.

Yours sincerely

T Paczek  
Headteacher
