Dear Parent or Guardian,

March 2017

School Funding

You may have seen a number of stories in the press around school funding. There have been worrying headlines and we felt it important that we let you know, as far as we are able at this stage, how this will affect our school.

School budgets across the country have been under pressure for some time. The senior leadership team at **The Rosary Catholic Primary School** has been grappling with the funding challenges, leading to a number of tough decisions being made **regarding staffing and resourcing**.

Our school is not alone. The National Association of Head Teachers (NAHT) has shown that more than half of school leaders felt that their budget would be untenable by 2018/19. The National Audit Office estimate a £3 billion real terms cut across all phases and in all schools. This doesn't just affect us.

The recent headlines have been caused by a proposed new funding formula for schools, designed to create a fairer allocation. However with increasing costs placed onto all schools the new formula will not bring the benefits that we had hoped to see. The School Cuts website, analysing DfE data, projects that schools in our local authority will lose. The Rosary is projected to lose in total £145,744 by 2019; which equates to £346 per pupil or the equivalent of losing 3 teachers in total. [schoolcuts.org.uk]

We will work hard to ensure that cuts have the least impact on teaching possible. However, rising costs and a frozen budget mean that tough decisions will have to be taken. We cannot guarantee that such cuts will not impact on teaching, despite doing our utmost to prevent this.

Please be assured that we take the utmost care with budgets, to ensure that all the money we have is spent effectively on your children. We are also letting the local authority and government know just how serious the funding crisis has become.

We promise to let you know you in plenty of time if our budget means we'll have to take a significant decision on teaching provision or activities.

Yours sincerely,

Julie Vowles
Chair of Governors

Tressa Paczek
